

# 2012 MS Senate

This color-coded map shows the 52 districts of the MS Senate for 2012.

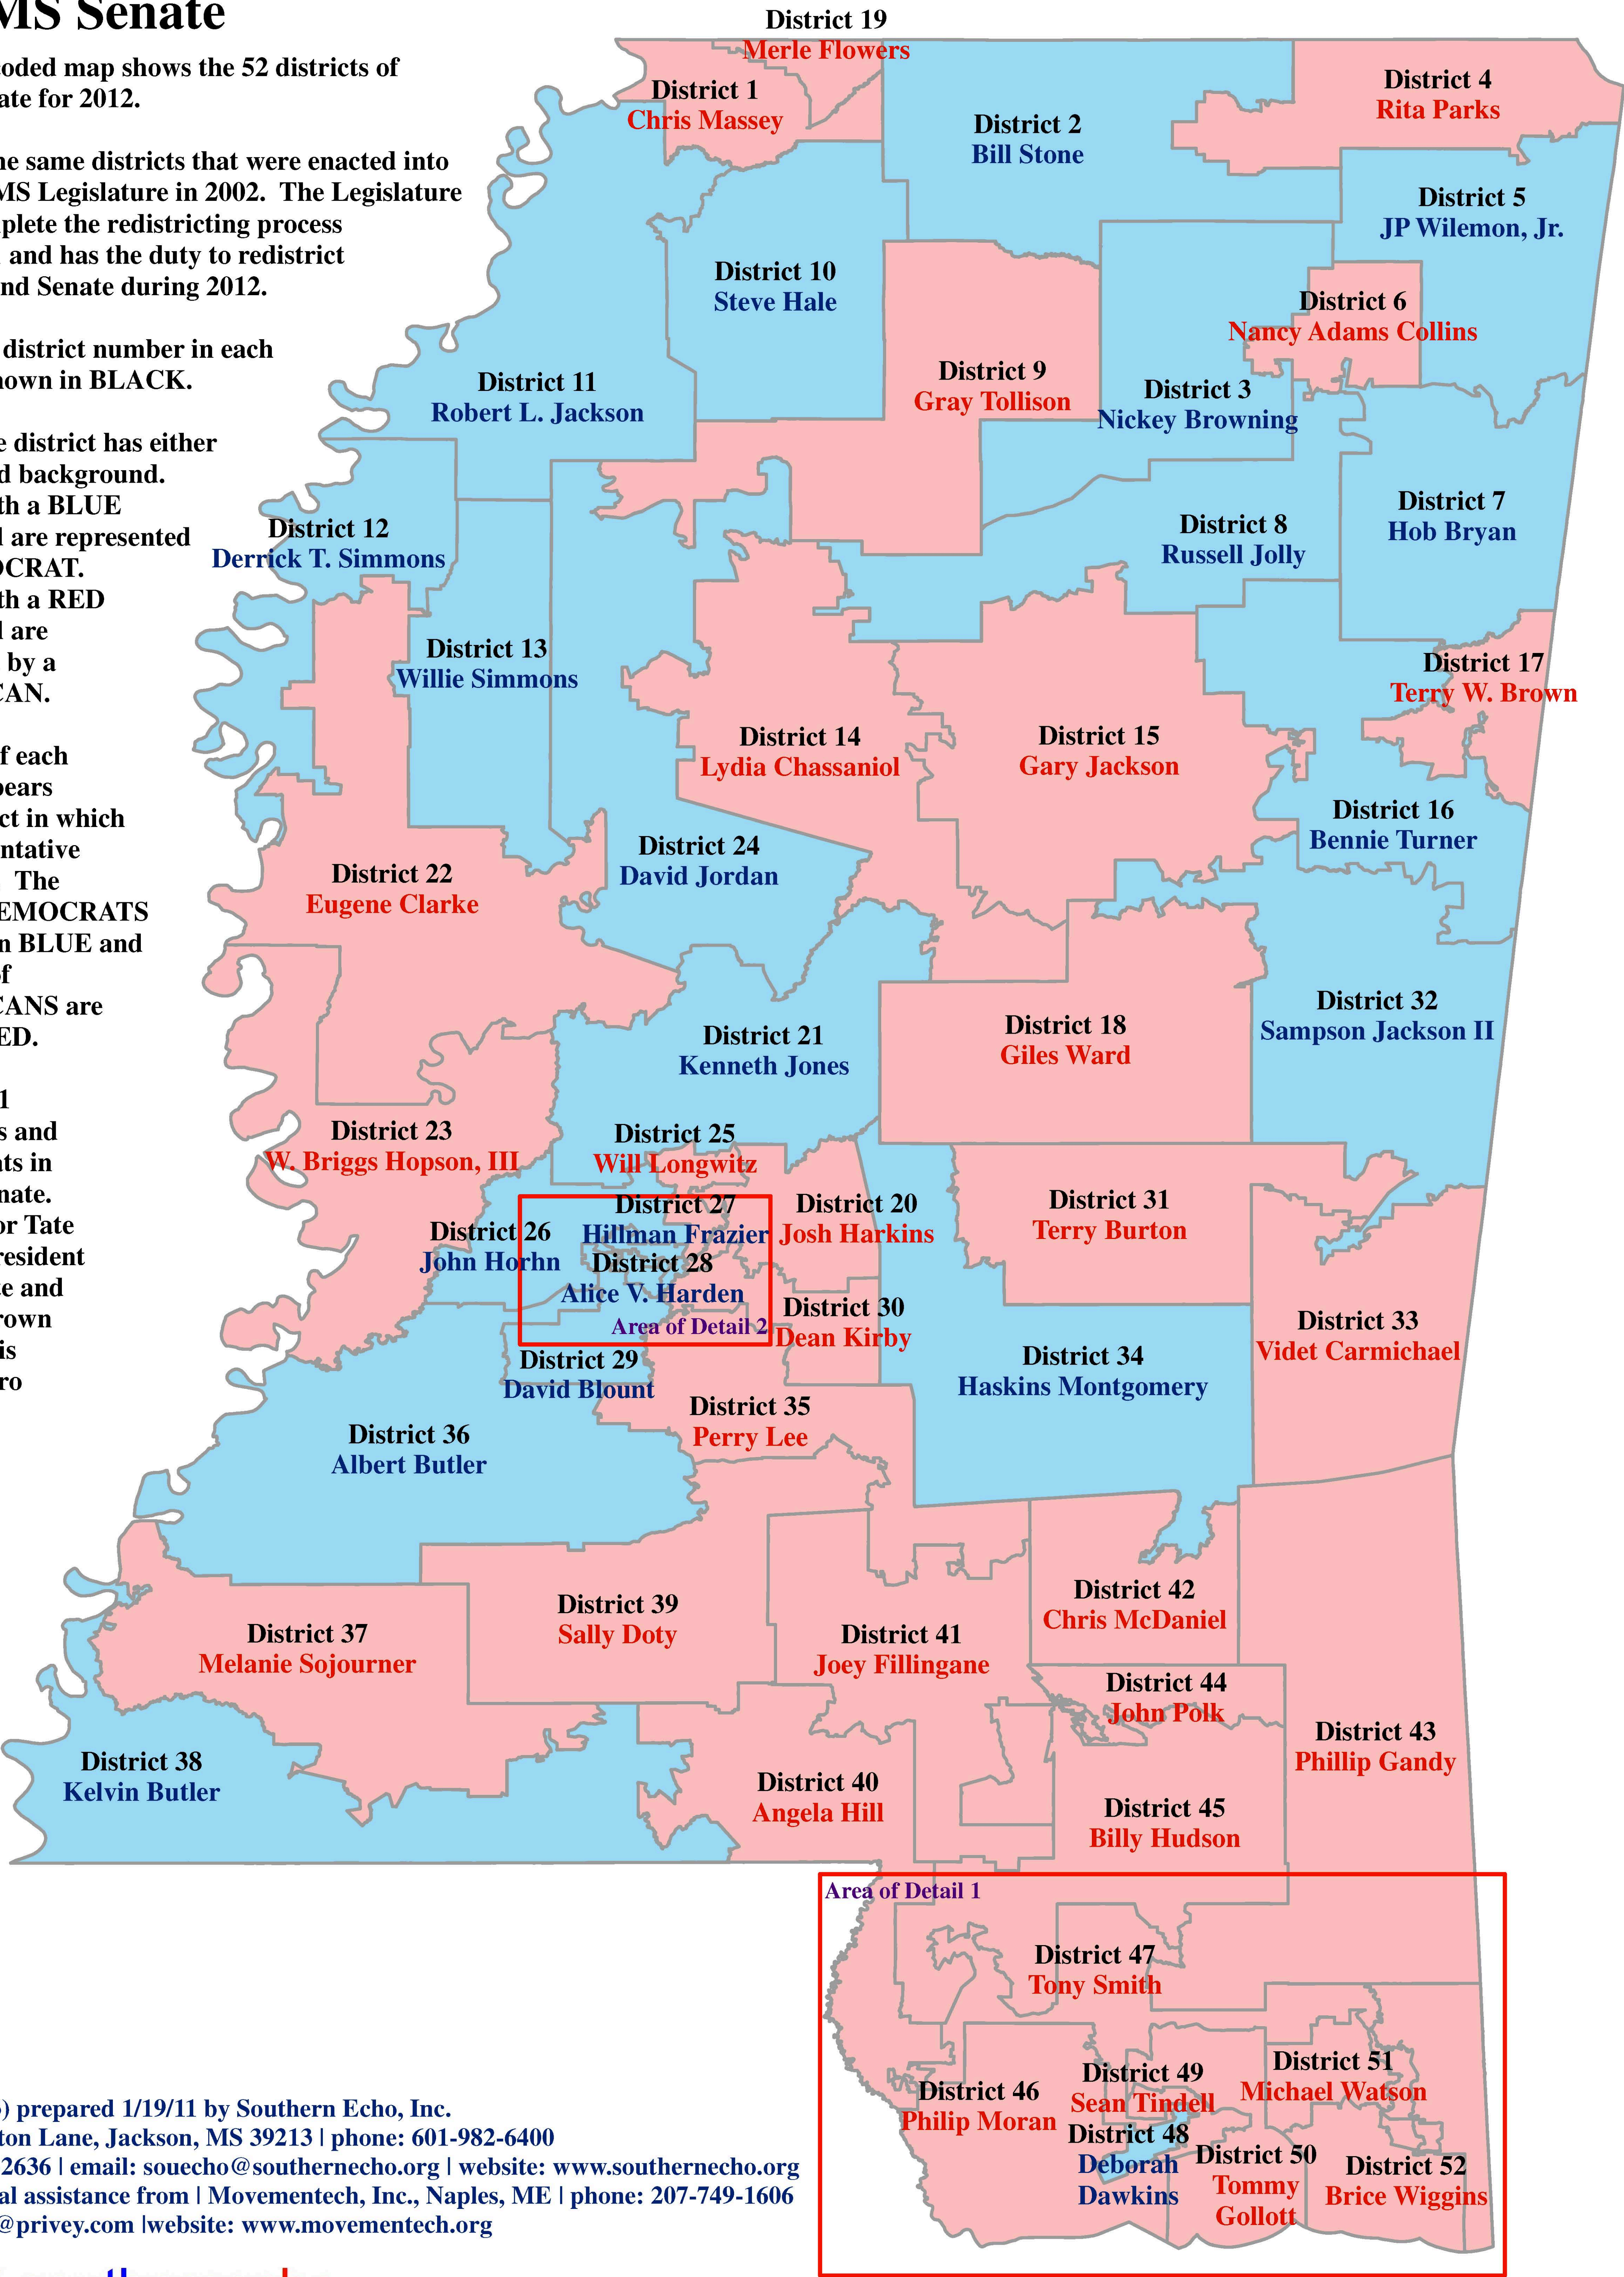

These are the same districts that were enacted into law by the MS Legislature in 2002. The Legislature did not complete the redistricting process during 2011 and has the duty to redistrict the House and Senate during 2012.

The official district number in each district is shown in BLACK.

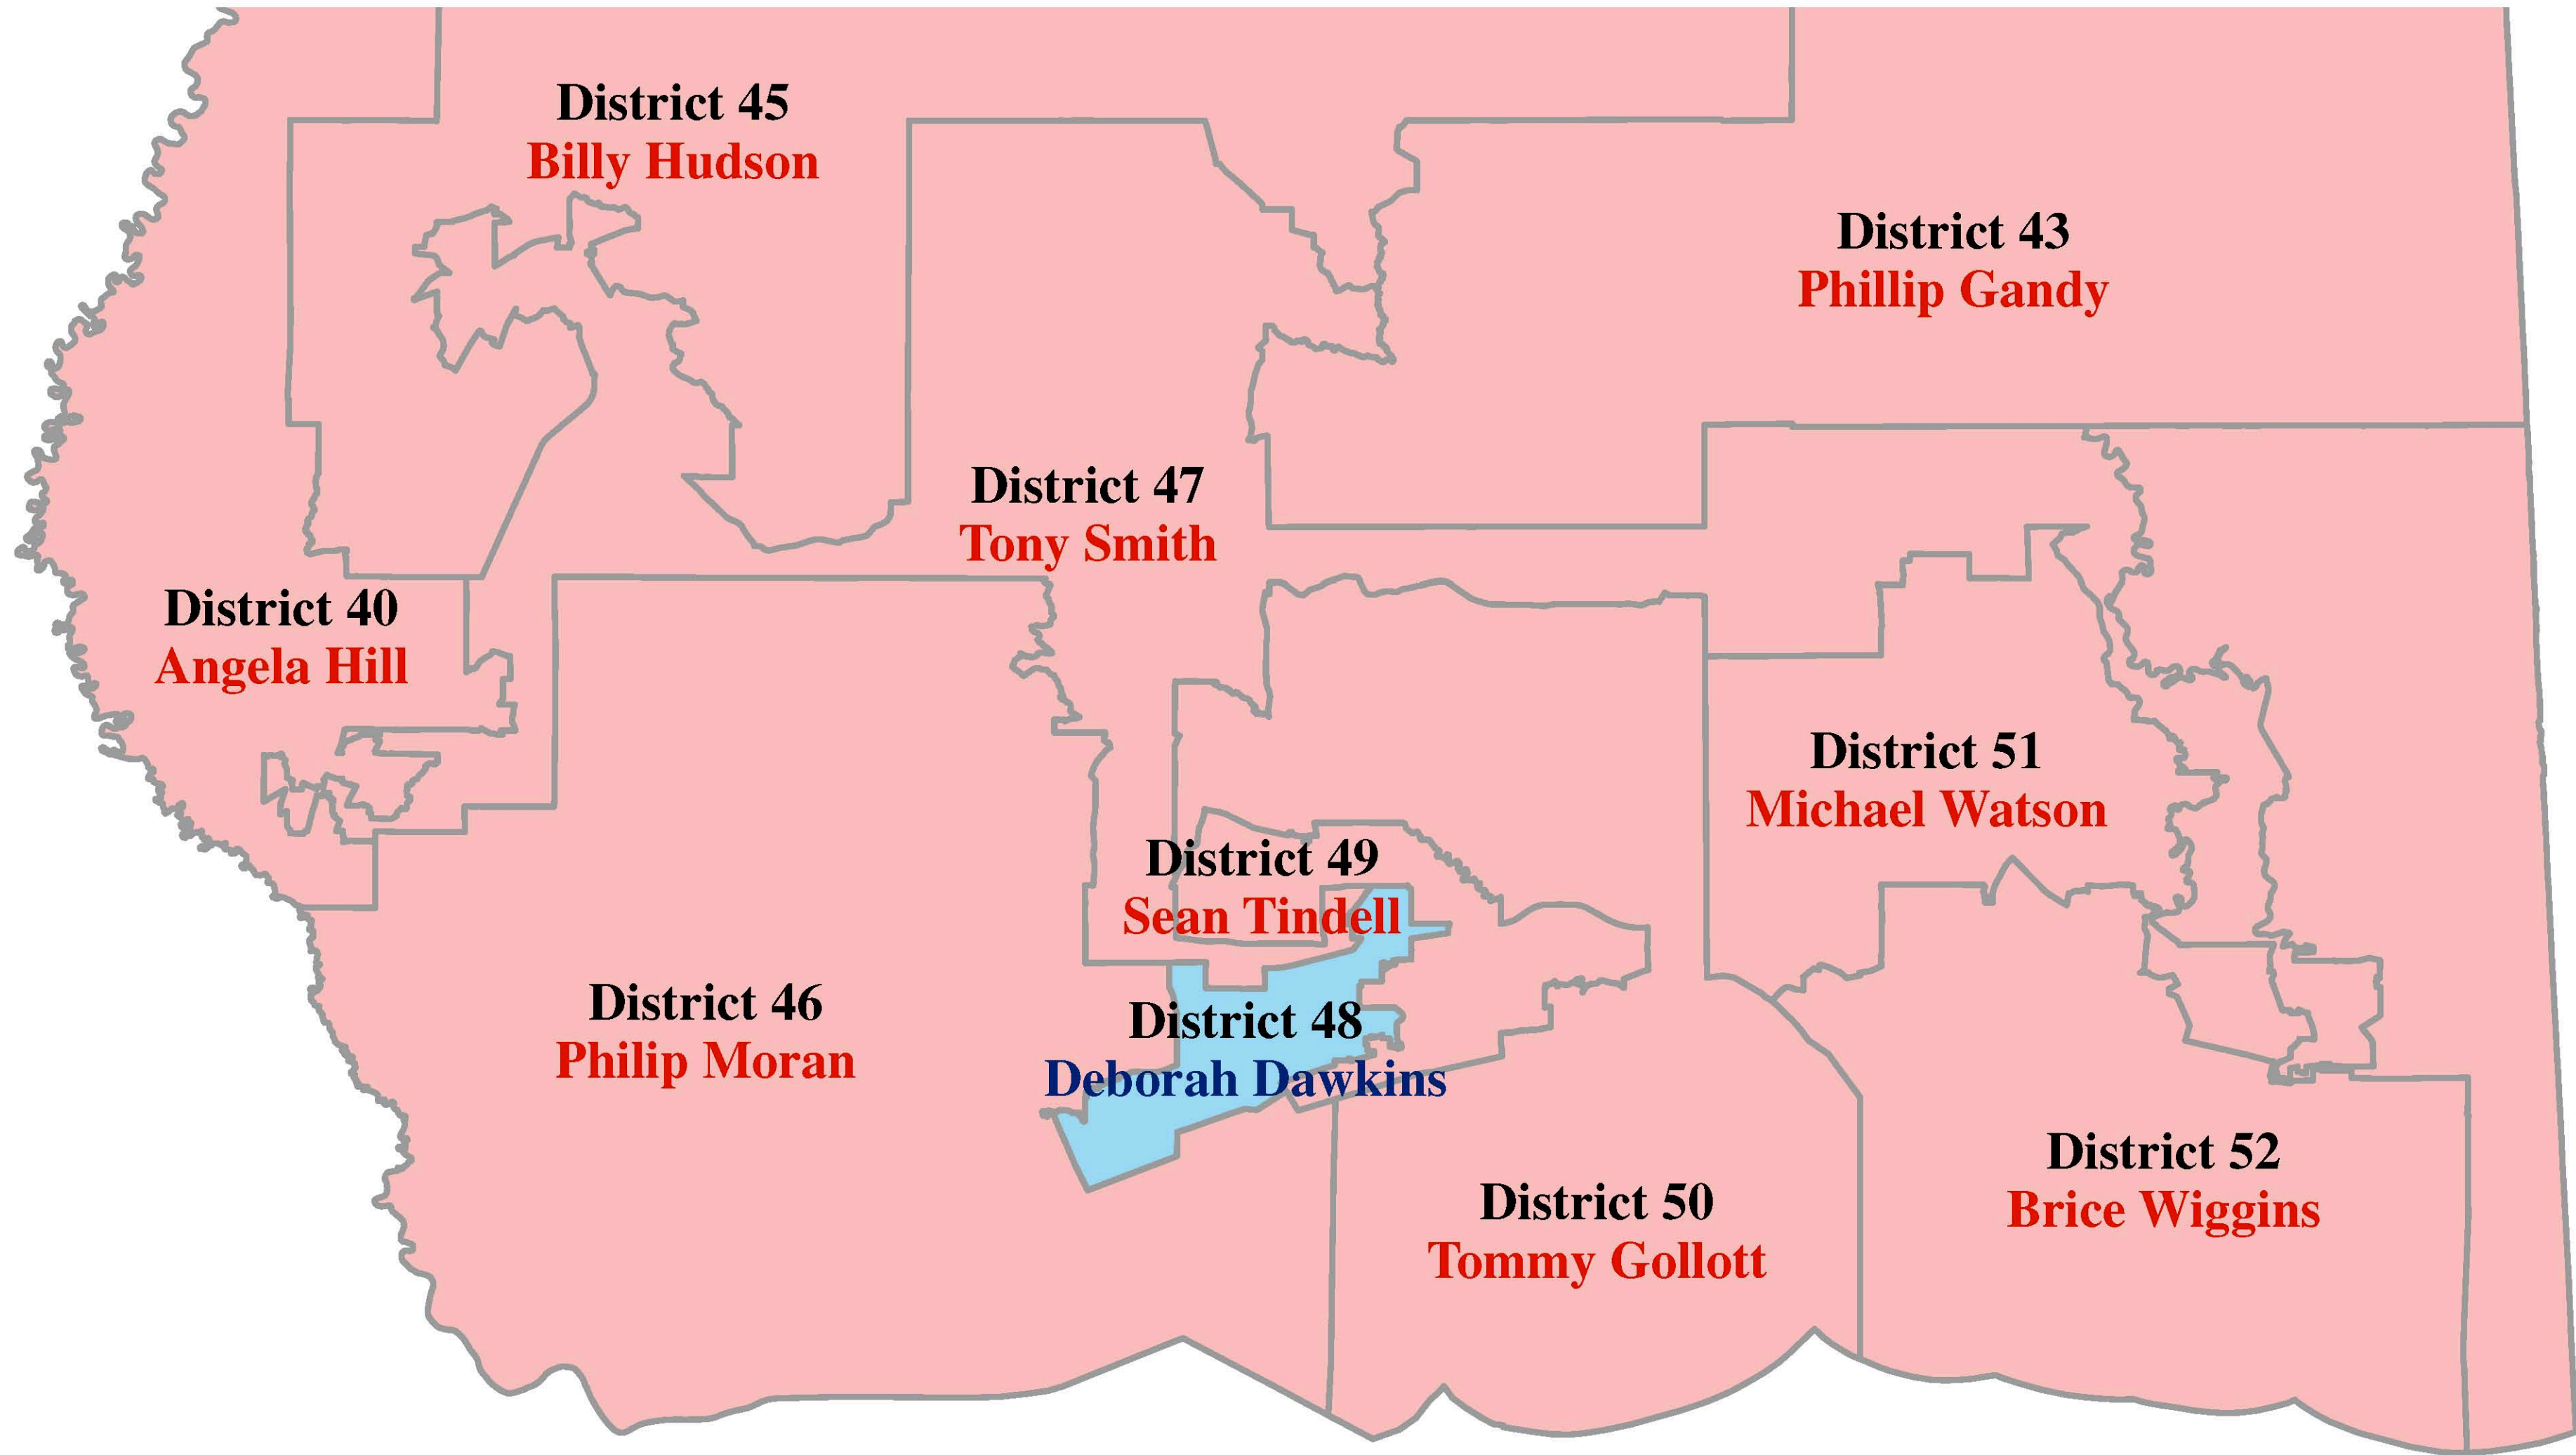

Each Senate district has either a blue or red background. Districts with a BLUE background are represented by a DEMOCRAT. Districts with a RED background are represented by a REPUBLICAN.

The name of each Senator appears in the district in which the Representative was elected. The names of DEMOCRATS are shown in BLUE and the names of REPUBLICANS are shown in RED.

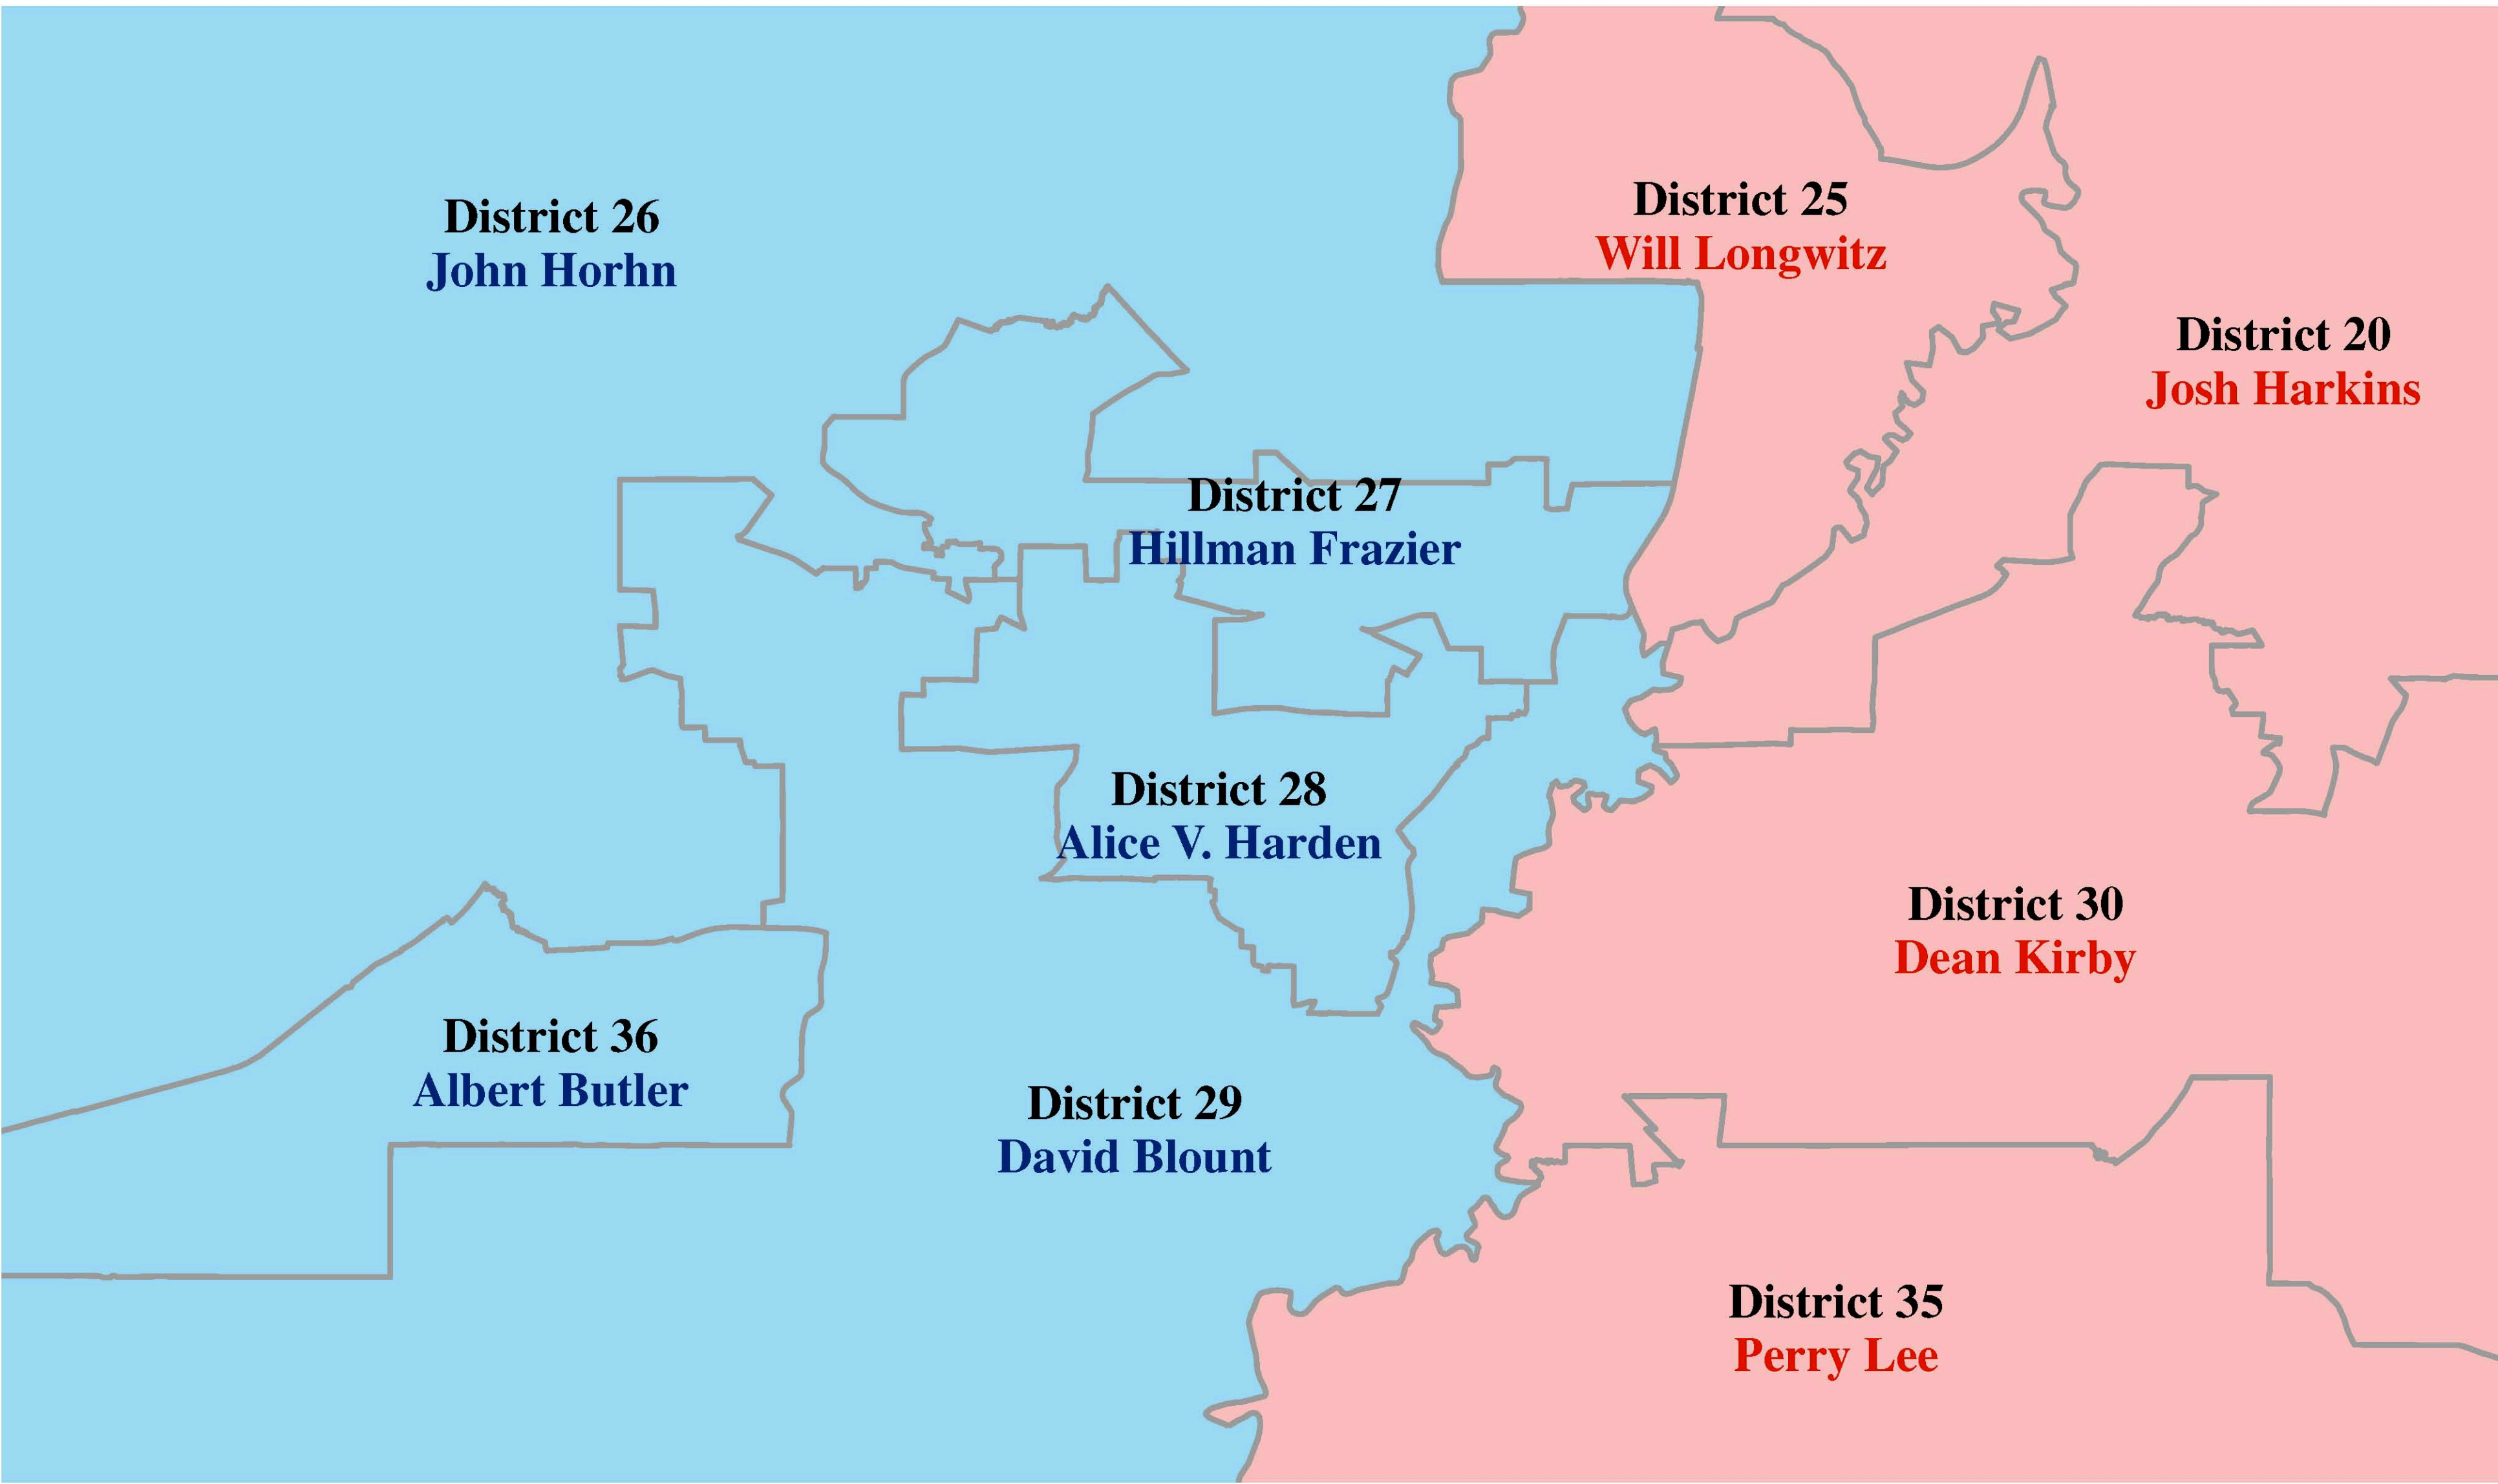

There are 31 Republicans and 21 Democrats in the 2012 Senate. Lt. Governor Tate Reeves is President of the Senate and Terry W. Brown (R-Dist 17) is President Pro Tempore.
