This page contains information about the Mississippi Adequate Education Program (MAEP) for each public school district during fiscal year 2013, along with the amount of underfunding in Mississippi for that year. The data is categorized by district performance levels: Successful, Watch, Underfunded, Low Performing, and High Performing. The amounts of underfunding are listed in dollars.

Each district is color coded based on the corresponding accountability status ranking. The districts are categorized into five performance levels: Successful, Watch, Underfunded, Low Performing, and High Performing. The amounts of underfunding are listed in dollars.

The name of each district is labeled in BLACK. The Accountability Status Ranking is shown in RED. The Amount of MAEP funding in fiscal year 2013 is labeled in BLUE. The Amount of underfunding in fiscal year 2013 is labeled in GREEN.

There are 152 Mississippi school districts. Three of those districts are Agricultural High Schools which do not have a location map on the page.

For example, the data for the district of "McComb" is derived from data provided by the MS Dept. of Education and from data and calculations graciously provided by the The Parents' Campaign, Jackson, MS.
