

Mississippi Census Tele Townhall: The 2020 Census and Working People

Do you have questions about the 2020 Census? We have answers. Join the Census Counts campaign, Southern Echo Inc., and the Leadership Conference Education Fund for a tele townhall all about how the 2020 Census helps support workers and build our collective power, during this health crisis and beyond. Learn how to get out the count in your community from Census Counts organizers and special guests:

Beth Lynk, Census Counts Campaign Director, The Leadership Conference Education Fund

Rachel Mayes, Executive Director, Southern Echo

Traycee Scott-Williams, Partnership Coordinator, U.S. Census Bureau

Calandra Davis, Policy Analyst, Hope Enterprise Corporation

Brian McMurry, Representative, IBEW Local 903

As we demand benefits, protection, and aid in solidarity with working people, we should also make sure to participate in the 2020 Census to help support their health and rights for the next 10 years.

WHEN: May 28th, 2020 at 6:15–7:15pm CDT
