# **IT IS FINALLY HAPPENING!**

The MS Legislature  
has voted to replace  
the current state flag  
with one that  
represents ALL  
Mississippians!

## **THE FLAG IS COMING DOWN!!!**

*After 126 years, the hateful imagery on Mississippi's state flag is coming down. Over the weekend, the legislation cleared the House in a 91-23 vote and the Senate by a 37-14 vote. The symbol on flag, the Confederate battle emblem, represents in both past and present an ideology of hate, racism, immorality, and cruelty. It had no place flying over our capitol, and now, it never will again.*

*This is a win, Mississippi, but it is only one step on the road to true equity and racial healing. We still have a long way to go, but know that we are walking together in the right direction.*
